DETAILED ACTION

1. Claims 1-15 are allowed over the prior art.

The following is an examiner's statement of reasons for allowance: Prior art fails to teach the claims combination features the electrical connector with the insulator retaining the signal contacts, the ground plate, the conductive shell covering the insulator, the connecting structure having the first connection piece extending from a part of the joining portion in the same direction as the first ground contacts in the second direction perpendicular to first direction, the ground plate is mounted to the insulator in the direction opposite the insert direction with the rest of the claims limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
